**Church Name:** Greenville Baptist Church, Appleton (New Church Plant)  
Rhineland (New church plant)

**Pastor:** Looking for Church Planters

**Contact Person:** Dennis Hansen, DOM, dr.dennismhansen@gmail.com

**Description:** US/C2 in Partnership with North American Mission Board, Minnesota-Wisconsin Baptist Convention, Bay Lakes Baptist Association and Harvest Baptist Association.

This is a plan to have leadership help for Greenville until we can secure a Church Planter have help to get the Rhineland Church start off the ground.

At this time, we still need \$265.00 a month for two years. Travel will be less in Greenville but cost of living may be higher. In Rhineland travel will be much higher but the cost of living will be less, so the amount should be able to remain the same.
