

Project 8

Church Name: Clintonville First Baptist Church, Clintonville, WI

Pastor: Dan Casper

Contact Person: Dan Casper, christisrisen@charter.net

Description: The church needs a new metal roof (12/12 pitch) and a work crew to install it. Dates are flexible.

The church would also like a group to help with VBS, preferably in August. The VBS and roof project cannot be done at the same time, due to safety concerns.
