

## **Project 9**

**Church Name:** New Beginnings Baptist Church, Manitowoc, WI

**Pastor:** Greg Howard

**Contact Person:** Greg Howard, pastorg1@att.net

**Description:** The church would like to do VBS or Backyard Bible Club and some canvassing of the neighborhood.

The church is also looking at a possible relocation because they have outgrown current space. If they are able to obtain the building they are looking at, it will require some renovation. One of the conditions that the bank has put for financing is the commitment from a group to come and help with the renovation, VBS, and community survey.
